The countryside near the heart of a city ! Château Rouge, built in the 19th century, is a "Campagne", a beautiful house used as summer residency for a family that lived all year in the center of Carpentras. A 5 minute walk will get you to the historical center of the city and its famous market, under the plane trees (every friday). Château Rouge is surrounded by villas that you do not see by the time you enter the 5000 m² park, with 100 years old trees, that includes, of course, a beautiful swimming pool (15 x 5 m).
