This 19th century residence, in the heart of the village of Marciac in the Gers, has been converted to a “Maison d’hôtes” of charm. Dedicated to relaxation, with its secluded floral garden and swimming pool which are surrounded by ancient stone walls, it sits beside its own contemporary art gallery, “L’atelier de la Baguenaude”. LA BAGUENAUDE offers 4 quality en suite bedrooms, one of which is a family suite, and all are tastefully and stylishly decorated. Each room transports you to its own individual ambience, where contemporary and traditional style work together in harmony. Share a delightful moment in the shaded summer garden, or on the terrace, bathed in sunshine.
