Situated at 2 minutes from the baths of Casteljaloux and its center, we offer 1 charming suite with balneo bath and 2 lovely bedrooms in this authentic farm from the XVII century surrounded by 27 acres of pasture and forest. Next to the 400 hundred years old linden trees, we have renovated our rooms with care and tastefully . We serve copious and organic breakfasts in the lounge with a fireplace and you can even enjoy special evenings "a la Gascogne". Here is the country life with the cocks, hens and new-laid eggs, the dogs Nini and Lutz, herds-dogs, and the cats running after mice. The 3 horses are living in the stable in front of the house. You can ride and even come with your horse as the stable is very large. In the pottery, Sylvie turns and models stoneware and china. For adults and children, discover pottery or any others as raku, dietetic cooking, basket-work ... by participating in a workshop.
