Our house was built in 1930 and is one few traditional houses in the province. We will be happy to welcome you in a warm environment and introduce you our unique selection of local tastes for your breakfast as the tradition of Bed & Breakfast wants it. We have a wide selection of services such as Free ADSL Wifi, computer table, individual bathroom but most of all our rooms are decorated based on the North traditions, we have a "Design" room to rent and a "Romantique" one. Check out the photos on our site. Our Bed & Breakfast will serve easily Lille and all its monuments as we're right in front of a metro station.
