Haven of Love ... 5 minutes walk from Old Lyon, nestled in the Ascent of Gourguillon between Saint-Jean and Fourvière, three beautiful guest rooms await lovers of magical moments. A year ago, Valerie Buisson decides to pursue her dream, to open an bed and breakfast intimate and luxurious. In the street, no banner, nothing hinting that lie three small cozy nests, preserved by the owner. Contemporary, soothing, calm and refined, each room has a private entrance. « La Grotte », « La Fenotte » and « La Papillote » are odes to true love with their private Jacuzzi or steam room, their bed linen in silk satin or cotton ... Here the charm of the old mingles with fineness of latest technologies such as mirrored TV, I-Pod, welcoming guests with a little soft music ... Fine materials, family furniture, the owner has made each room, a cocoon.
